Cc: icet4sd@uii.ac.id

Dear Mr. Muhammad Ibrahim:

Thank you for registering your paper 1570574906 (*A literature review on reducing carbon emission from supply chain system: drivers, barriers, performance indicators, and practices*) to **Third International Conference on Engineering and Technology for Sustainable Development 2019**. You still have to upload your manuscript at <https://edas.info/uploadPaper.php?m=1570574906>. Your manuscript can be application/pdf.

You can see all your submissions and their status at

<https://edas.info/index.php?c=25741>

using your EDAS user id faisalibrahim.ie@gmail.com.

Once you upload your manuscript, you will receive another email confirmation.

Regards, The conference chairs

[ICET4SD 2019] Information about paper #1570574906 (A literature review on reducing carbon emission from supply chain system: drivers, barriers, performance indicators, and practices) has been changed

Dear Mr. Muhammad Ibrahim:

Information about your paper #1570574906 ('A literature review on reducing carbon emission from supply chain system: drivers, barriers, performance indicators, and practices') for ICET4SD 2019 was changed by Muhammad Faisal Ibrahim ():

Maulin Putri added as author

No further action is required from you.

If you have already submitted your manuscript, you can change it at any time before the deadline by [web form upload](#).

You can [see all your submissions](#), using the EDAS user name . From there, you can see the current status of the papers, whether a manuscript has been submitted and can edit the paper information.

You can directly view information about your [paper](#).

Once you update your manuscript, you will receive another email confirmation.

Regards, The conference chairs

Dear Authors,

Thank you for registering your paper for ICET4SD 2019. Here is what we've received from you:

Email address in EDAS account	faisalibrahim.ie@gmail.com
EDAS Paper ID(s)	#55 (1570574906) dan #56 (1570574918)
Paper Title(s)	#55 : A literature review on reducing carbon emission from supply chain system: drivers, barriers, performance indicators, and practices #56 : Fuzzy TOPSIS approach for evaluation the drivers of post-harvest fish losses: a case study of Gresik, Indonesia
Author(s)	#55 : Muhammad Faisal Ibrahim ; Maulin Masyito Putri ; Dana Marsetiya Utama #56 : Muhammad Faisal Ibrahim ; Muhammad Akbar Falahi ; Dana Marsetiya Utama
Amount paid	3850000
Date transfer	Sep 03, 2019
Upload proof of payment(s) (transfer receipt(s))	File 1

We hope to see you in Yogyakarta,

With warm regards,

ICET4SD 2019 Committee

Cc: icet4sd@uii.ac.id

Dear Muhammad Faisal Ibrahim, Maulin Masyito Putri and Dana Marsetiya Utama:

On behalf of ICET4SD Scientific Committee, we are happy to inform that your paper with the following details:

Paper ID: #1570574906 Title: 'A literature review on reducing carbon emission from supply chain system: drivers, barriers, performance indicators, and practices'

Has been ACCEPTED WITH REVISIONS for Conference Paper Presentation in the 3rd ICET4SD 2019 and publication in IOP Proceeding series/selected journals. The reviews are included below, and also accessible in the EDAS system for ICET4SD 2019 by login to your account <https://edas.info/showPaper.php?m=1570574906>

All authors should take the review comments carefully into account when preparing for the camera-ready version of their paper. The full paper's page limit is up to 6 (six) pages and you are able to pay the extra pages (max 2 pages). The full paper format needs to follow the "NEW template (<https://publishingsupport.iopscience.iop.org/author-guidelines-for-conference-proceedings/>)".

Please read carefully the publication procedures for the final manuscript as follows:

1. Authors have to revise the paper according to the review results.
2. Authors prepare the paper according to the paper template of IOP MATERIALS SCIENCE & ENGINEERING proceedings series (<https://publishingsupport.iopscience.iop.org/author-guidelines-for-conference-proceedings/>).
3. After our careful consideration based our agreement with the IOP Publisher's Policy, we updated the requirement is a maximum of 15 pages without any extra charges. Please be advised that this information only for IOP proceedings series, other publication will be informed later.
4. Please prepare the papers carefully according to the template in order to enhance the publication process. Please also check for spelling and grammar before submitting your paper.
5. Authors are required to ensure that the similarity of the final manuscript is less than 30%. Papers with similarity more than 30% will be dropped and no longer considered for publication in ICET4SD 2019.
6. Ensure that all authors have been added to your final manuscript as well as in EDAS.
7. ICET4SD Publication Committee will send the papers to IOP Publisher for publication. Authors need to fulfill the agreement for publishing their works to IOP Publisher.
8. ICET4SD Publication Committee will notify authors after the papers have been published by IOP MATERIALS SCIENCE & ENGINEERING proceedings series.
9. Please note that ICET4SD Publication Committee does not provide hardcopy of IOP MATERIALS SCIENCE & ENGINEERING proceedings series. Authors can, therefore, access it online after the papers have been published.
10. Please do the registration through designated date through this link (<https://forms.gle/X1fycmrNSUCSkRH9>).

This publication decision cannot be changed to other publications arranged by ICET4SD Publication Committee. If the authors do not send the revised paper before "25 September 2019", the paper will then be considered to withdraw from ICET4SD Scopus publications and the registration fee will not be refunded. Please also note that we reserve the right to change the decision results if the remarks from the reviewers or required formatting guidelines are not respected. You will receive a detailed description of camera-ready copy preparation in a separate email message, and the details on registration are available at our website <http://icet4sd.uui.ac.id>. Thank you for participating in the 3rd ICET4SD 2019.

NOTE: WE WILL ANNOUNCE SELECTED PAPERS THAT WILL BE PUBLISHED IN SCOPUS JOURNAL SOON, PLEASE WAIT FOR OUR FURTHER UPDATES.

If you have more questions, please do not hesitate to contact us at icet4sd@uii.ac.id.

ICET4SD Review 1 Forms 1

Relevance: The relevance of the manuscript to the scope of ICET4SD 2019 in general.

Excellent (5)

Novelty: Originality

Significant (4)

Contribution: to the engineering technology for sustainable development area

Average (3)

Presentation: Readability, English writing

Readable (3)

Accept Score: Should this paper be accepted and presented for 3rd ICET4SD 2019?

Normal Accept (4)

Comments to Author: (Please write details and comments for the authors regarding the manuscript)

This is a good review article that reviews the carbon emission issue. The authors may also include some of future directions to this problem and possible solution to tackle this.

ICET4SD Review 1 Forms 2

Relevance: The relevance of the manuscript to the scope of ICET4SD 2019 in general.

Relevant (3)

Novelty: Originality

Not bad (3)

Contribution: to the engineering technology for sustainable development area

Major (4)

Presentation: Readability, English writing

Clear (4)

Accept Score: Should this paper be accepted and presented for 3rd ICET4SD 2019?

Normal Accept (4)

Comments to Author: (Please write details and comments for the authors regarding the manuscript)

Literature review commonly is done to find the possibility area for future research. This can not be found in the discussion. Please complete it.

ICET4SD Review 1 Forms 3

Relevance: The relevance of the manuscript to the scope of ICET4SD 2019 in general.

Good match (4)

Novelty: Originality

Not bad (3)

Contribution: to the engineering technology for sustainable development area

Major (4)

Presentation: Readability, English writing

Readable (3)

Accept Score: Should this paper be accepted and presented for 3rd ICET4SD 2019?

Normal Accept (4)

Comments to Author: (Please write details and comments for the authors regarding the manuscript)

The paper is about literature review, it is recommended to review critically every paper so that particular condition of every paper could be discovered. Currently, the authors just discover from every paper very common issue that already understood by common reader. Therefore, benefit of the review is not strong. Discussion part is interesting, however, the conclusion is still very common. Several sentences are need to be rephrased to make it clear.

Sincerely yours,

The conference chairs 3rd ICET4SD 2019 Committees

Dear Muhammad Faisal Ibrahim, Maulin Masyito Putri and Dana Marsetiya Utama:

Paper ID: #1570574906 Title: 'A literature review on reducing carbon emission from supply chain system: drivers, barriers, performance indicators, and practices'

On behalf of ICET4SD Scientific Committee, **we would like to remind you to read the notification information carefully. Please also visit our official website (<https://icet4sd.uui.ac.id>) for important dates and registration matters.**

All authors should take the review comments carefully into account when preparing for the camera-ready version of their paper. The full paper format needs to follow the "NEW template (<https://publishingsupport.iopscience.iop.org/author-guidelines-for-conference-proceedings/>)".

Please read carefully the publication procedures for the final manuscript as follows:

1. Authors have to revise the paper according to the review results.
2. Authors prepare the paper according to the paper template of IOP MATERIALS SCIENCE & ENGINEERING proceedings series (<https://publishingsupport.iopscience.iop.org/author-guidelines-for-conference-proceedings/>).
3. After our careful consideration based our agreement with the IOP Publisher's Policy, we updated the requirement is a maximum of 15 pages without any extra charges. Authors who already paid the extra charges, please contact us through our official email to get the refund. Please be advised that this information only for IOP proceedings series, other publication will be informed later.
4. Please prepare the papers carefully according to the template in order to enhance the publication process. Please also check for spelling and grammar before submitting your paper.
5. Authors are required to ensure that the similarity of the final manuscript is less than 30%. Papers with similarity more than 30% will be dropped and no longer considered for publication in ICET4SD 2019.
6. Ensure that all authors have been added to your final manuscript as well as in EDAS.
7. ICET4SD Publication Committee will send the papers to IOP Publisher for publication. Authors need to fulfill the agreement for publishing their works to IOP Publisher.
8. ICET4SD Publication Committee will notify authors after the papers have been published by IOP MATERIALS SCIENCE & ENGINEERING proceedings series.
9. Please note that ICET4SD Publication Committee does not provide hardcopy of IOP MATERIALS SCIENCE & ENGINEERING proceedings series. All published papers can be accessed online through IOP Proceedings Series
10. Please do the registration through designated date through this link (<https://forms.gle/X1fycmrNSUCSkRH9>). For updated information, please visit this address as follows: (<https://icet4sd.uui.ac.id/#reg>) and (<https://icet4sd.uui.ac.id/#import>)

This publication decision cannot be changed to other publications arranged by ICET4SD Publication Committee. If the authors do not send the revised paper before "25 September 2019", the paper will then be considered to withdraw from ICET4SD Scopus publications and the registration fee will not be refunded. Please also note that we reserve the right to change the decision results if the remarks from the reviewers or required formatting guidelines are not respected.

If you have more questions, please do not hesitate to contact us at icet4sd@uii.ac.id.

Sincerely yours,

The conference chairs 3rd ICET4SD 2019 Committees

ICET4SD UII 2019 <icet4sd@uii.ac.id>

Tue, Oct 8, 2019 at 5:40 AM

To: Muhammad Faisal Ibrahim <faisalibrahim.ie@gmail.com>

Dear authors,

On behalf of the 3rd ICET4SD 2019 Committee, we are pleased to invite you to present your paper in the International Conference on Engineering for Sustainable Development 2019 that will be held on October 23-24, 2019 in Royal Ambarrukmo Hotel Yogyakarta, Indonesia. Congratulations!

All full papers have undergone blind reviews by ICET4SD 2019 Committee. This final acceptance of approved camera-ready papers already accommodates the incorporating reviewers' feedback due to the satisfaction of the Editors-in-chief. After being presented at ICET4SD 2019, the approved camera-ready papers will be forwarded for consideration to be published in the IOP Proceedings Series/Selected Journals that already indexed by SCOPUS.

As one of our program, we will have the Gala Dinner (Included as a Registration Fee) and closing ceremony at 23rd October 2019 (General Program schedule already announced via official website) and City Tour of Yogyakarta at 24 October 2019 (Additional Fee Required, check the descriptions on the link). Please register using this link <http://bit.ly/Conference_Event>.

Thank you for your participation in 3rd ICET4SD 2019, and we look forward to seeing you in Yogyakarta!

Sincerely,

Alvin Sahroni, Ph.D.

Chairman of the 3rd ICET4SD 2019
