Dear Committee,

Along with this email I will send an abstract of my two paper titles as follows:

Paper 1: Improved Genetic Algorithm for Vehicle Routing Problem Pick-up and Delivery with Time Windows

Paper 2: Modeling and Simulating Five Weighbridges with Consideration of Vehicle Capacity and Destination using Arena Software

Please be able to respond immediately and provide an acceptance decision.

Dear authors,

We are happy to inform you the book of abstract ICAST 2020 and the Rundown of parallel session. The program schedule is also available on the book of abstract. Please read carefully.

The Zoom Meeting ID for plenary session : 399 522 4428

The Zoom meeting ID for Parallel session: See the Rundown Parallel Session

Please also pay attention to the guideline provided (enclosed). Please note that we allow only one of author per paper as presenter who can attend in this conference because of limited of zoom capacity. So please inform us who will be the presenter of your paper?

The last thing that you have to use virtual background in all sessions of the conference. Thank you very much. We are looking forward to seeing you in the ICAST 2020 on 28 November 2020.

Best regards,

Chairman ICAST 2020

Dear authors,

We would like to remind you that ICAST conference event will be started at 08.30 WIB for the registration of all participants. The registration will be closed at 09.00 WIB.
Please be on time to attend this conference.

We also suggest you to use this format of your name in Zoom as follows in order to organize all participant easier:

Paper ID_Name of Author(Presenter)

For example: 011_Vinni Hermana

Please note that only one author as presenter of your paper will be allowed to attend this conference. So please inform us immediately who will be presenter?

If any question, please feel free contact via WA 0878-7800-1412 (only chat)

Thank you

ICAST Editor 2020

Dear Committee,

With this email I attach my full paper manuscript with the details:

Paper ID : 1st.ICAST.20.053

Title : Improved Genetic Algorithm for Vehicle Routing Problem Pick-up and Delivery with Time Windows

I also say there is a change in the title to "Optimised Genetic Algorithm Crossover and Mutation Stage for Vehicle Routing Problem Pick-up and Delivery with Time Windows."

Please send the review as soon as possible.
